ANNEXURE-10

INSTITUTE DISCIPLINE COMMITTEE

The committee addresses student discipline-related issues within the institute by implementing appropriate awareness programs, counseling sessions, monitoring mechanisms, and control measures. It promotes a culture of responsibility and professional conduct among students. The committee thoroughly examines cases of indiscipline and ensures fair and systematic handling of such matters. Based on its findings, it submits a detailed report to the Principal for appropriate disciplinary action in accordance with institutional norms.

Objectives:

- To maintain discipline and ensure a conducive academic environment within the engineering college.
- To create awareness among students regarding expected behavior through orientation programs and awareness drives.
- To provide counseling and guidance to students for improving conduct and promoting ethical values.
- To monitor, investigate, and address cases of indiscipline in a fair and timely manner.
- To document incidents and submit recommendations to the Principal for appropriate disciplinary action.
