

# INSTITUTE OF AERONAUTICAL ENGINEERING

(Autonomous)

Dundigal - 500 043, Hyderabad, Telangana

ANNEXURE - 11

## INTERNAL QUALITY ASSURANCE CENTRE

### COMPOSITION OF INTERNAL QUALITY ASSURANCE CENTER

The Internal Quality Assurance Centre (IQAC) is established to develop and sustain a quality culture within the institution through continuous improvement in academic and administrative performance. It functions as a facilitative and monitoring body, ensuring that quality enhancement initiatives are effectively implemented. The IQAC plans, guides, and reviews quality assurance and quality enhancement activities in alignment with institutional goals. It promotes best practices in teaching–learning, research, and governance. The centre facilitates documentation and preparation of reports required for accreditation and ranking agencies. It encourages stakeholder participation and feedback for institutional improvement. IQAC also organizes workshops, seminars, and training programs to enhance quality standards. It ensures systematic internal audits and performance evaluations. Overall, the IQAC plays a vital role in institutionalizing quality assurance processes and achieving excellence.

IQAC is constituted under the chairmanship of the head of the institution with heads of important academic and administrative units and a few teachers and representatives of local society and stakeholders.

#### Objectives:

- To develop and sustain a quality culture through continuous improvement in academic and administrative processes.
- To monitor, evaluate, and enhance institutional performance in teaching–learning, research, and governance.
- To facilitate documentation, internal audits, and preparation for accreditation and quality assurance processes.
