ANNEXURE-12

LIBRARY COMMITTEE

The Library Committee is constituted to ensure the efficient functioning of the library and to facilitate effective coordination with Heads of Departments, faculty members, and students. It actively works towards the modernization and continuous improvement of library resources and documentation services. The committee is responsible for preparing budgets and development proposals to enhance library infrastructure and services. Additionally, it undertakes initiatives to expand library membership and extend access beyond the institution, fostering broader academic engagement.

Objectives:

- To ensure the smooth and efficient functioning of the library in coordination with departments, faculty, and students.
- To promote modernization and continuous improvement of library resources and documentation services.
- To prepare and recommend budgets and development proposals for strengthening library infrastructure and facilities.
- To enhance library usage and expand membership beyond the institution to support wider academic engagement.
