## PLACEMENT AND TRAINING COMMITTEE

The Training and Placement Committee is responsible for facilitating campus recruitment and enhancing students' career opportunities. It coordinates with various organizations to arrange campus placement drives and pre-placement talks. The committee ensures proper hospitality and arrangements for recruiters and company representatives. It also promotes industry–institute interaction by organizing expert lectures, seminars, and training programs from industry, government, and public sector professionals. The committee identifies suitable organizations for student internships and field training and makes necessary arrangements for their placement and stay. Overall, it plays a vital role in preparing students for successful careers.

### Objectives:

- To facilitate campus placements by coordinating with companies and recruitment agencies.
- To organize pre-placement talks, training programs, and skill development activities for students.
- To strengthen industry–institute interaction through expert lectures, seminars, and workshops.
- To arrange internships, field training, and industrial exposure for students.
- To ensure smooth conduct of placement drives, including logistics and hospitality for recruiters.
