## PROGRAM ASSESSMENT & QUALITY IMPROVEMENT (PAQ) COMMITTEE

The Program Assessment & Quality Improvement (PAQ) Committee functions at both institute and department levels to ensure the effective implementation and continuous monitoring of academic activities. It focuses on assessing program outcomes, course outcomes, and overall academic performance. The committee promotes quality enhancement in teaching–learning processes through systematic evaluation and feedback. It ensures alignment of academic practices with institutional goals and accreditation requirements. The PAQ Committee also identifies areas for improvement and recommends corrective actions for sustained academic excellence.

### Objectives:

- To assess and monitor program outcomes, course outcomes, and overall academic performance.
- To ensure effective implementation and continuous improvement of teaching–learning processes.
- To align academic activities with institutional goals and accreditation requirements.
- To identify gaps and recommend corrective actions for enhancing academic quality and student performance.
