

INSTITUTE OF AERONAUTICAL ENGINEERING

(Autonomous)

Dundigal - 500 043, Hyderabad, Telangana

ANNEXURE-01

ALUMNI COMMITTEE

The Alumni Committee is constituted to establish and strengthen a lifelong relationship between the institution and its alumni. It serves as a platform to connect former students with the institute for mutual growth and development. The committee organizes alumni meets, interaction sessions, and networking events to foster engagement. It encourages alumni to contribute to the institution through mentoring, guest lectures, internships, and placement support. The committee also maintains an updated database of alumni and tracks their professional achievements. It facilitates collaboration between alumni and current students to enhance career opportunities. The committee plays a key role in promoting institutional development through alumni support and contributions. It also works towards enhancing the institute's reputation through strong alumni relations. Overall, it strives to build an active and supportive alumni network.

Objectives:

- To establish and strengthen continuous engagement between the institution and its alumni.
- To organize alumni meets, networking events, and interaction programs for sustained connectivity.
- To encourage alumni participation in mentoring, guest lectures, internships, and placement support.
- To maintain and update a comprehensive alumni database and track their achievements.
- To promote institutional development through alumni contributions, collaboration, and support.
