ANNEXURE-20

STRATEGIC PLANNING AND IMPLEMENTATION COMMITTEE

The Strategic Planning and Implementation Committee is constituted to oversee the effective execution and monitoring of the institution's strategic plan. It regularly reviews the progress of various initiatives and evaluates unit-level action plans to ensure alignment with institutional goals and priorities. The committee plays a key role in guiding the strategic allocation of resources and supports the budgeting process based on institutional needs. It provides valuable insights and recommendations to the senior leadership for achieving long-term objectives. The committee ensures that planned activities are implemented efficiently and within defined timelines. It also identifies gaps, suggests corrective measures, and promotes continuous improvement. Regular reviews and assessments are conducted to track performance and outcomes. Overall, the committee ensures a systematic and goal-oriented approach to institutional development.

Objectives:

- To monitor and evaluate the progress of the institution's strategic plan and ensure its effective implementation.
- To review unit-level action plans and ensure alignment with institutional goals and priorities.
- To support strategic budgeting by recommending appropriate allocation of resources.
- To provide guidance and recommendations to senior leadership for achieving long-term institutional objectives.
- To identify gaps in implementation and suggest corrective measures for continuous improvement.
