HOSTEL COMMITTEE

The Hostel Committee is constituted to oversee the effective management and smooth functioning of the hostel facilities within the institution. It ensures the provision of safe, secure, and comfortable accommodation for students. The committee monitors discipline, cleanliness, and maintenance of the hostel premises. It addresses issues related to student welfare, including food quality, hygiene, and basic amenities. The committee also establishes and enforces hostel rules and regulations to maintain a conducive living environment. Regular inspections and reviews are conducted to ensure proper implementation of standards. It serves as a platform to address grievances and take necessary corrective actions. The committee coordinates with wardens and administrative staff for efficient hostel management. Overall, it strives to create a supportive and disciplined residential atmosphere for students.

Objectives:

- To ensure safe, secure, and comfortable accommodation for students in the hostel.
