## MASTER OF BUSINESS ADMINISTRATION

### ATTAINMENT OF COURSE OUTCOME – ACTION TAKEN REPORT

|                      |                                     |               |           |
|----------------------|-------------------------------------|---------------|-----------|
| Name of the faculty: | Ms. S Sireesha                      | Department:   | MBA       |
| Regulation:          | PG-21                               | Batch:        | 2022-2024 |
| Course Name:         | Production and Operation Management | Course Code:  | CMBC30    |
| Semester:            | III Semester                        | Target Value: | 2.5       |

#### Attainment of COs:

| Course Outcome |  | Direct attainment | Indirect attainment | Overall attainment | Observation  |
|----------------|--|-------------------|---------------------|--------------------|--------------|
| CO1            | Identify and assess the procedures, methods, and concepts of production and operations management to get a better understanding of logistics and supply chain operations | 3                 | 2.3                 | 2.9                | Attained     |
| CO2            | Demonstrate the ability to schedule and control production processes in order to reduce production time and costs.   | 2.7               | 2.3                 | 2.6                | Attained     |
| CO3            | Summarize the basic ideas of quality circles, quality assurance, and quality control to improve decision-making abilities.   | 2.1               | 2.3                 | 2.1                | Not Attained |
| CO4            | Conclude the quality processes, tools, and techniques in the manufacturing and service sectors to improve their operational performance.                                 | 2.1               | 2.3                 | 2.1                | Not Attained |
| CO5            | Describe the Materials Requirement Planning and MRPII systems to choose the optimum quality  | 3                 | 2.2                 | 2.8                | Attained     |
| CO6            | Recognize the importance of store management and inventory control to ensure their availability with minimum capital lock up.  | 2.4               | 2.3                 | 2.4                | Attained     |

#### Action taken report:

In this Course, four COs are attained and further to maintain and improve the level of other COs by:

1. Conducting Guest lectures to impart conceptual knowledge
2. Delivering more lectures on Production Operations in real life situations
