Welcome to the class of 2026

Congratulations on your admission into Institute of Aeronautical Engineering (Popularly called IARE), Dundigal, Hyderabad.

Your journey at IARE will empower you with the knowledge, skills, and practical experience required to pursue diverse engineering careers. Guided by distinguished faculty and supported by a dynamic learning environment, you will be encouraged to innovate, explore, and excel in a competitive global environment.

The Institute is approved by the All India Council for Technical Education (AICTE), New Delhi, and permanently affiliated to Jawaharlal Nehru Technological University Hyderabad (JNTUH), Hyderabad. Recognized for its commitment with quality education, it has been granted Autonomous Status by the University Grants Commission (UGC), New Delhi, since 2016, and is accredited with the prestigious NAAC A++ Grade with a CGPA of 3.62 on a 4-point scale. Further reflecting its academic excellence, 100% of eligible B.Tech programs and 85% of eligible M.Tech programs, along with the MBA program, are accredited by the National Board of Accreditation (NBA). These recognitions reaffirm IARE'S commitment to providing students with a high-quality learning environment that prepares them for successful careers and lifelong learning.

It is a matter of great pride that the Institute is ranked one among the top 200 best engineering colleges in India. The institute is consistently attaining National Institutional Ranking Framework (NIRF) rank since 2017. The institute is ranked 151-200 in engineering category as per NIRF 2025, Ministry of Education, Govt. of India.

At IARE, every effort is made to nurture students not only in their chosen disciplines but also as responsible and competent professionals. Beyond academic excellence, equal emphasis is placed on fostering leadership, teamwork, communication, critical thinking, and innovation through a wide range of co-curricular and extracurricular activities. Students are encouraged to participate in national and international competitions, hackathons, technical festivals, research initiatives, innovation challenges, and community engagement programmes, enabling them to gain valuable practical exposure and confidence. This holistic approach equips students with the knowledge, skills, and values required for successful careers and lifelong learning.

Being admitted to IARE is a significant accomplishment, you and your family can feel very proud of it.
