Feedback Analysis on Feel Safe and Secure

Academic Year 2018-19

Average

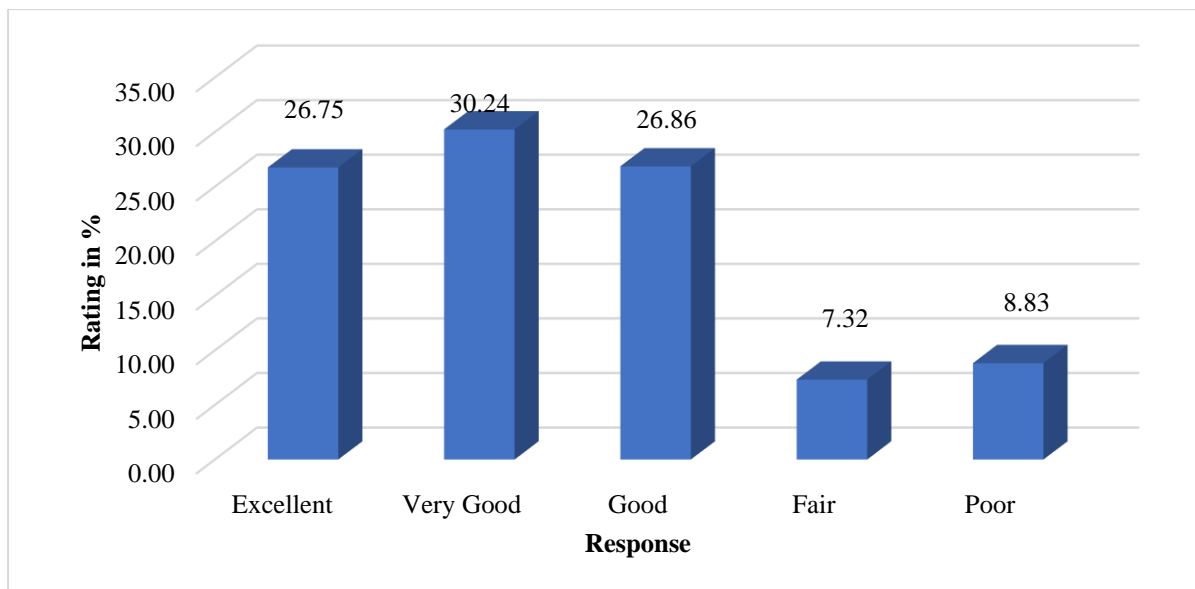

Figure 1

Figure 1 the survey on feel safe and security for the academic year 2019-2020, indicated 84.07% satisfied and 15.93% not satisfied responses. So, the overall response seems to be good. Action will be taken soon to improve on inside campus public transportation vehicles, emergency phone lines, conduction of safety seminars, self-defence classes, and safety advice for women and provide with 100% satisfactory facilities on feel safe and security.

On the alleys of the campus

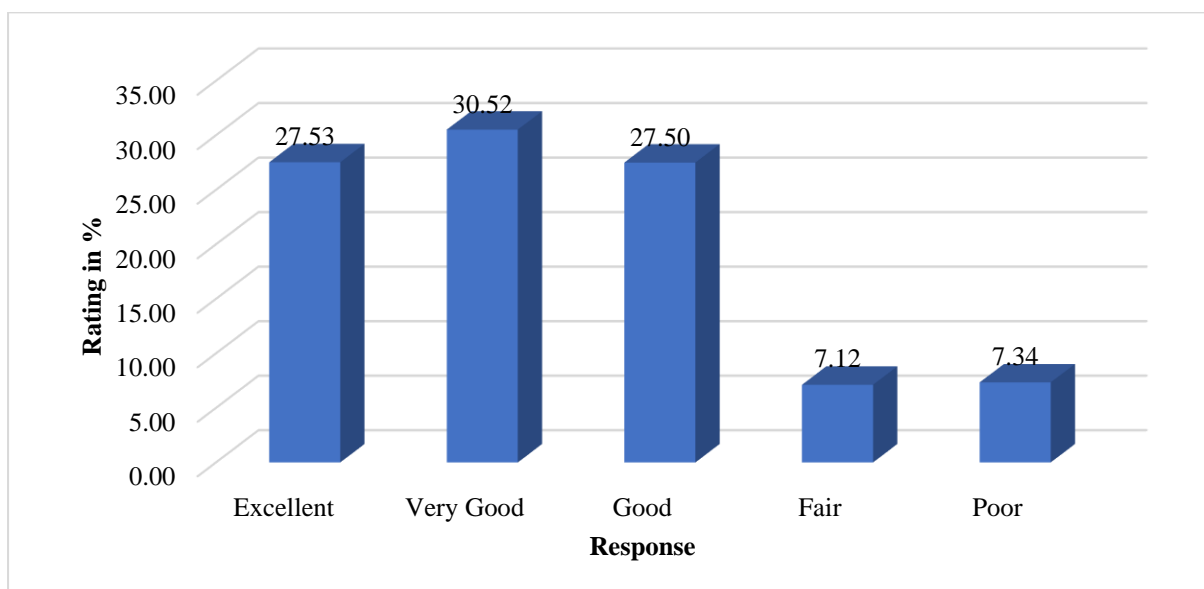

Figure 2

Figure 2 represents the survey on the alleys of the campus indicated 85.54% satisfied and 14.46% not satisfied responses. So overall, the response seems to be good.

Inside parking lots

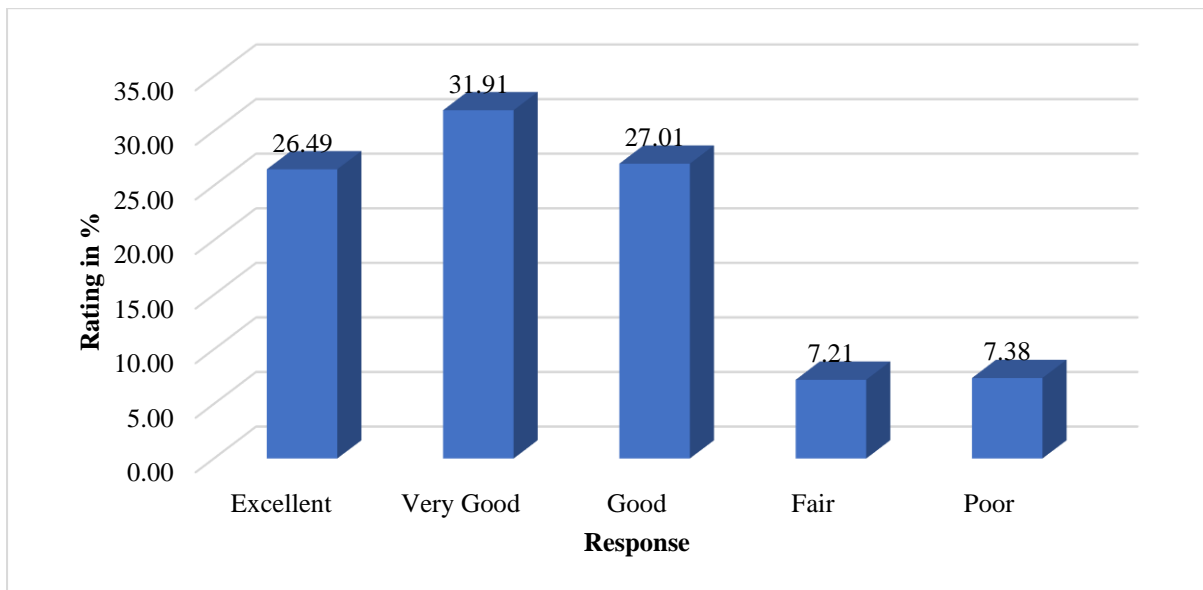

Figure 3

Figure 3 depicts the survey on inside parking lots indicated 85.41% satisfied and 14.59% not satisfied responses. So overall response seems to be good.

Inside campus buildings

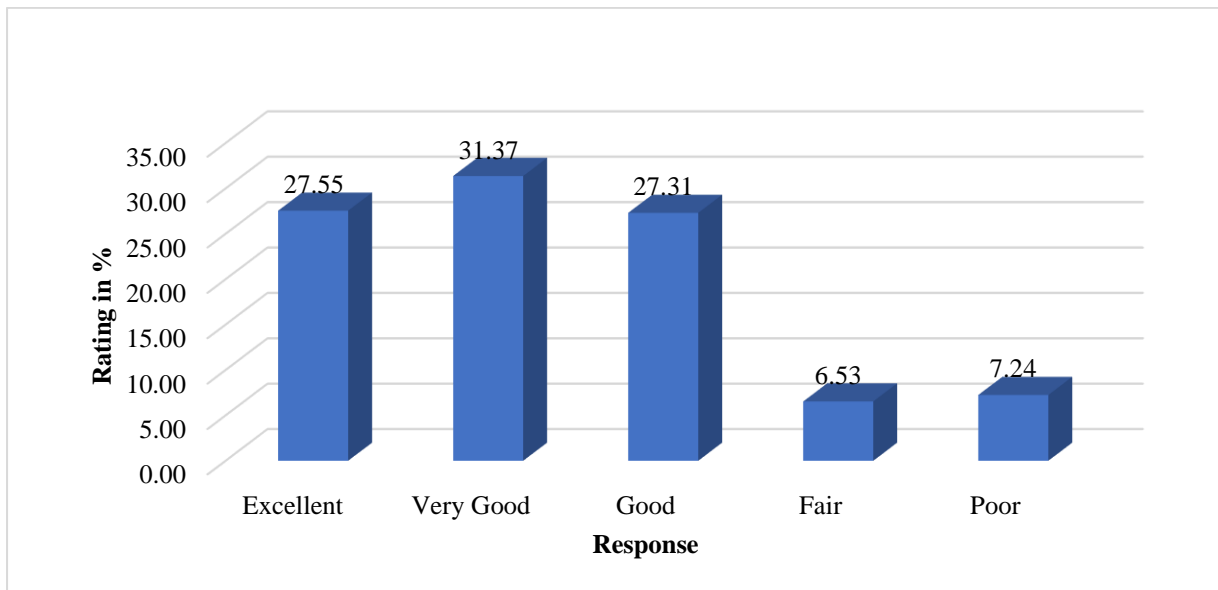

Figure 4

Figure 4 shows the survey on inside campus buildings indicated 86.22% satisfied and 13.78% not satisfied responses. So overall response seems to be good.

Around campus

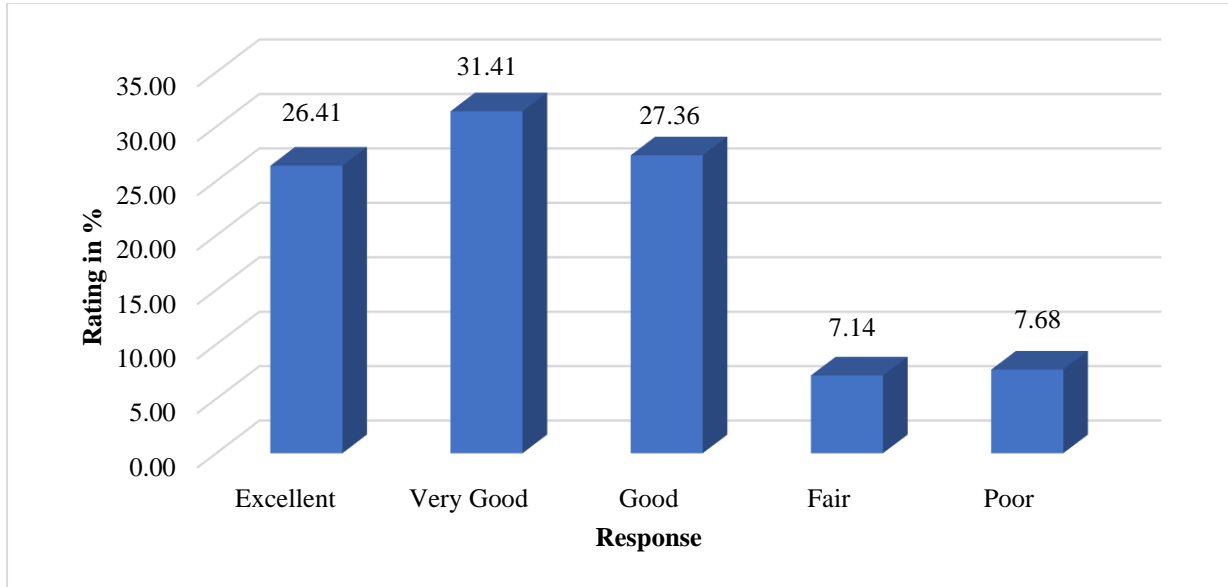

Figure 5

Figure 5 describes the survey on around campus indicated 85.18% satisfied and 14.82% not satisfied responses. So overall response seems to be good.

Inside the campus public transportation vehicles

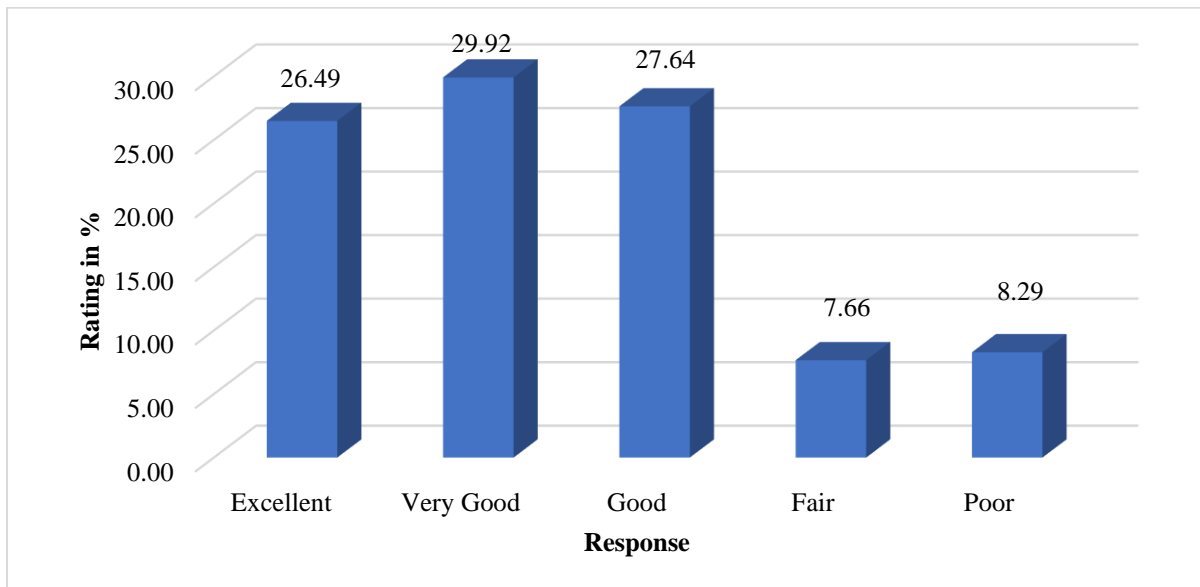

Figure 6

Figure 6 shows the survey on inside the campus public transportation vehicles indicated 84.05% satisfied and 15.95% not satisfied responses. So overall response seems to be good.

How safe do you feel inside the campus

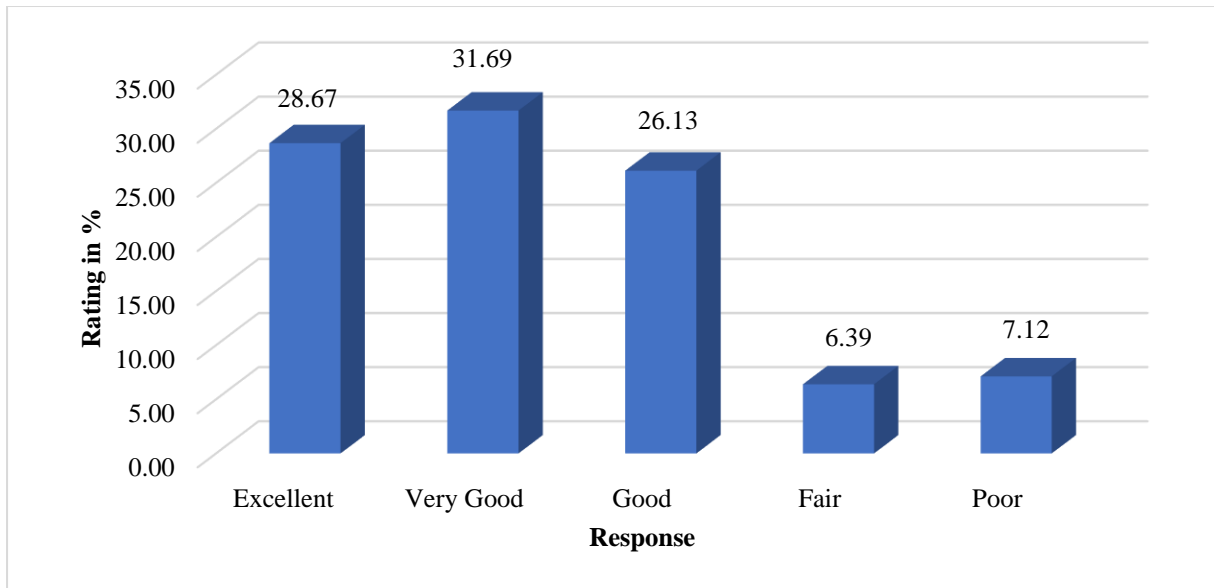

Figure 7

Figure 7 presents the survey on how safe do you feel inside the campus indicated 86.49% satisfied and 13.51% not satisfied responses. So overall response seems to be good.

Availability of Security cameras

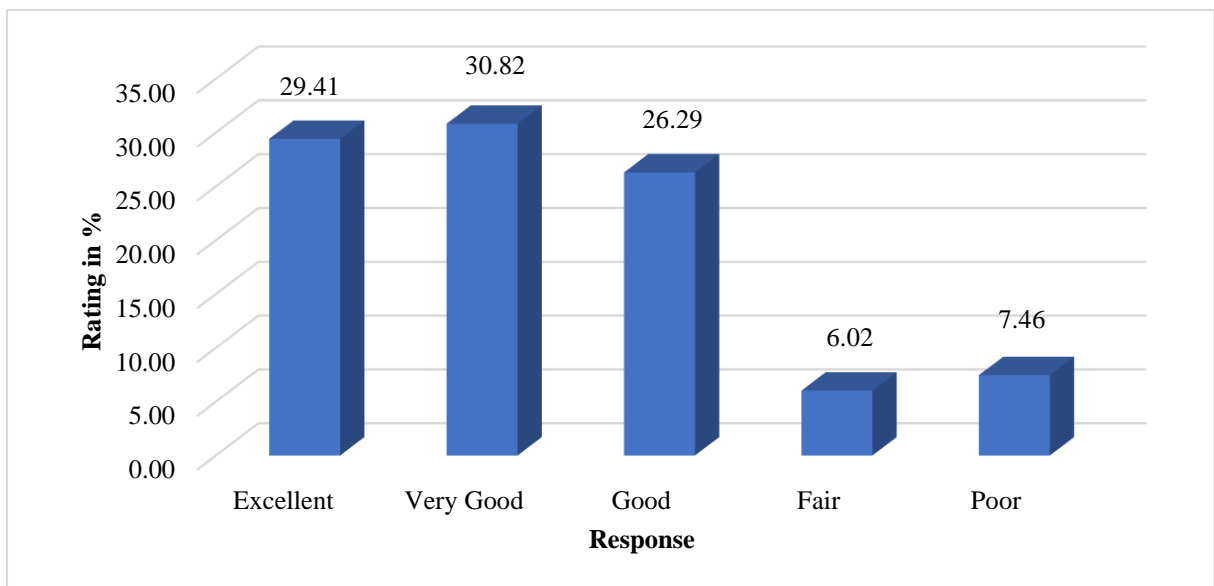

Figure 8

Figure 8 predicts the survey on the availability of security cameras indicated 86.52% satisfied and 14.% not satisfied responses. So overall response seems to be good.

Security guards

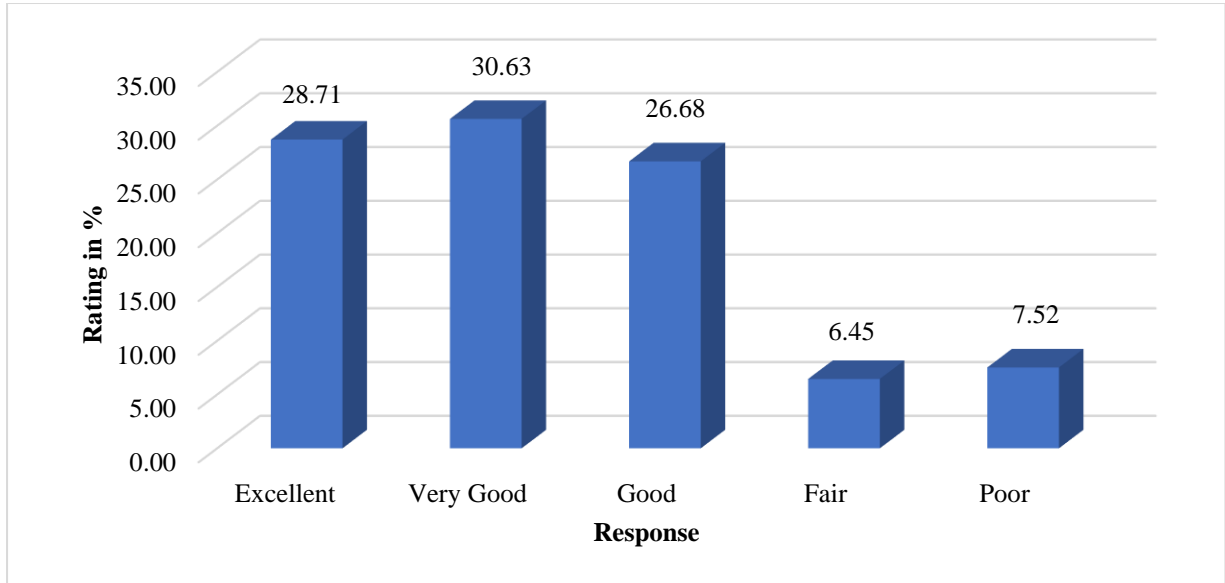

Figure 9

Figure 9 shows the survey on the security guards indicated 86.03% satisfied and 13.97% not satisfied responses. So overall response seems to be good.

Emergency phone lines

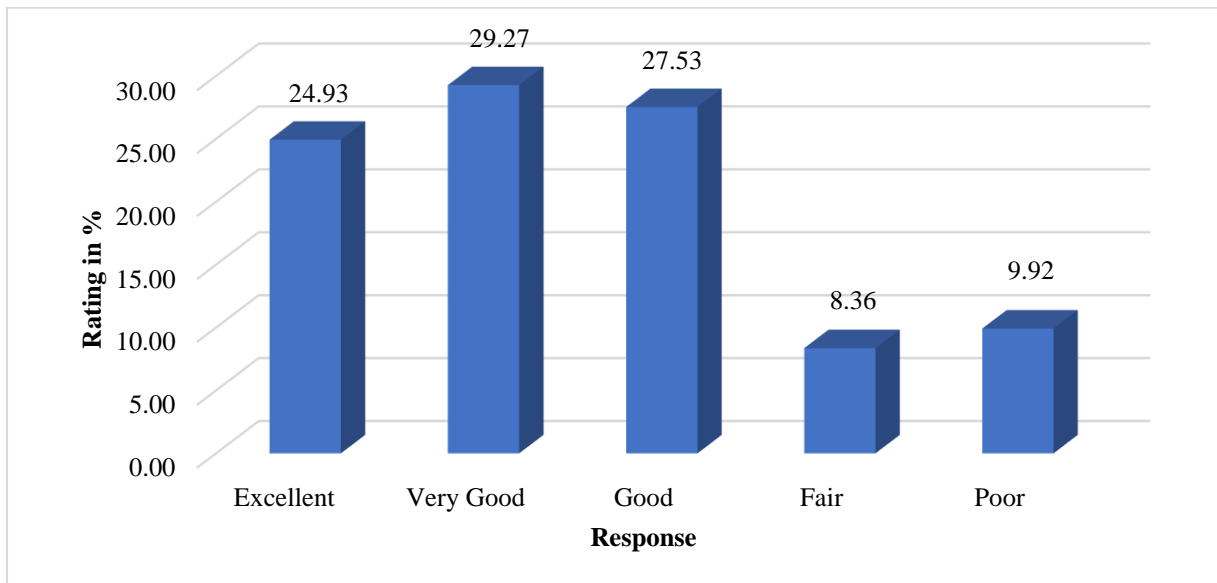

Figure 10

Figure 10 the survey on emergency phone lines indicated 81.72% satisfied and 18.28% not satisfied responses. Action will be taken soon to improve the emergency phone lines.

Conduction of Safety seminars

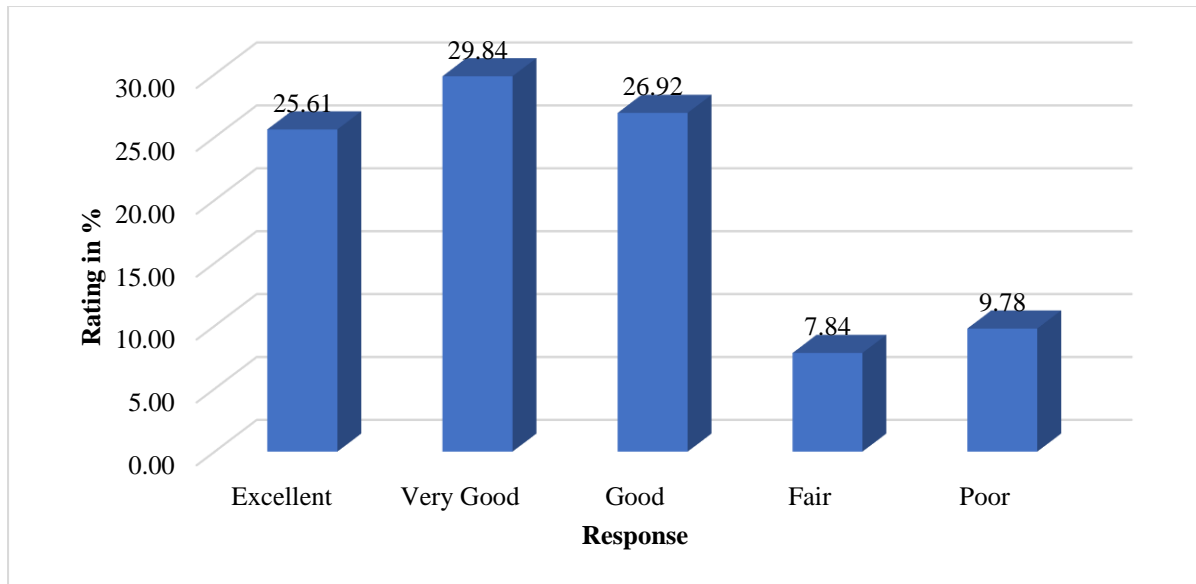

Figure 11

Figure 11 predicts the survey on conduction of safety seminars indicated 82.38% satisfied and 18.62% not satisfied responses. Action will be taken to improve the conduction of safety seminars.

Self-defense classes

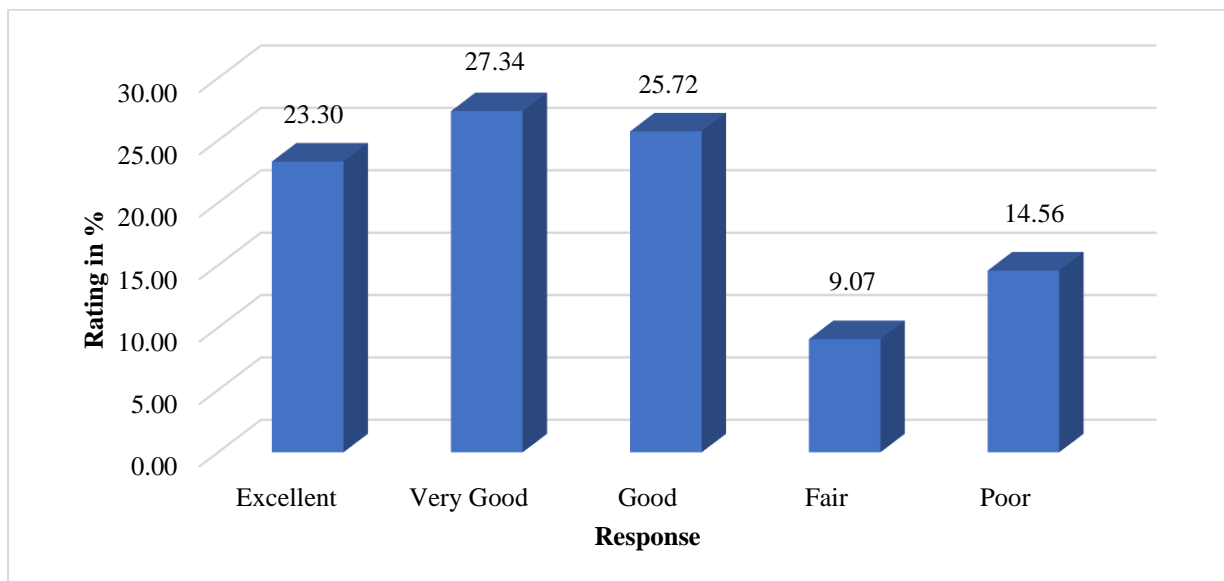

Figure 12

Figure 12 shows the survey on self-defence classes indicated 76.36% satisfied and 24.64% not satisfied responses. Action will be taken to improve the self-defence classes.

Safety Advice for Women

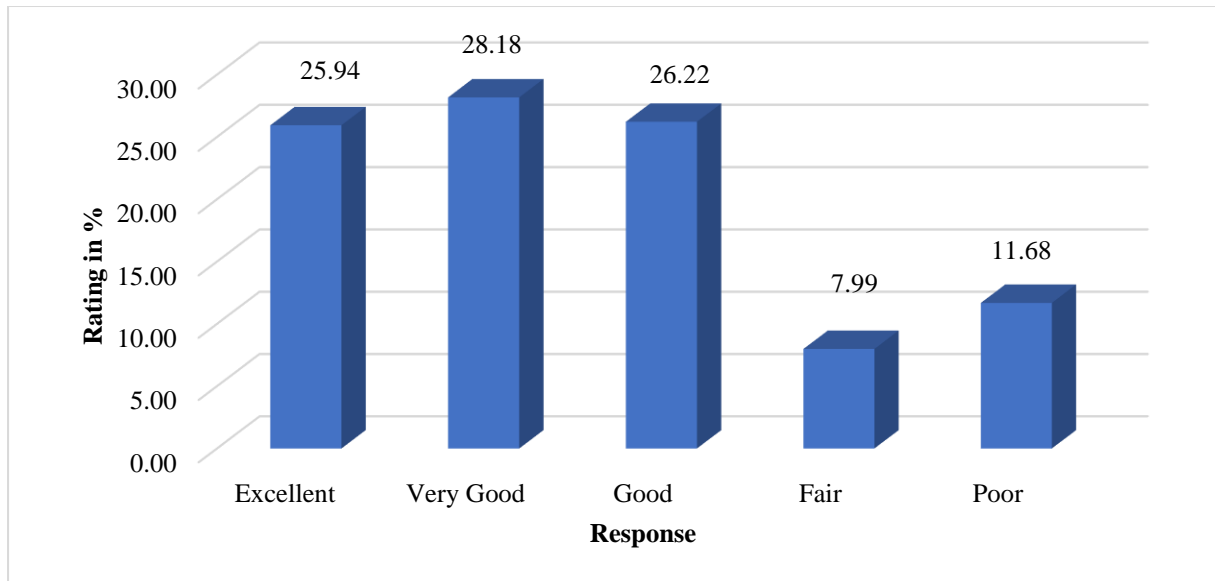

Figure 13

Figure 13 shows the survey on safety advice for women indicated 80.33% satisfied and 20.67% not satisfied responses. Action will be taken to improve the safety advice for women.
