## Feedback Analysis on Feel Safe and Secure

Academic Year 2020-21

### Average

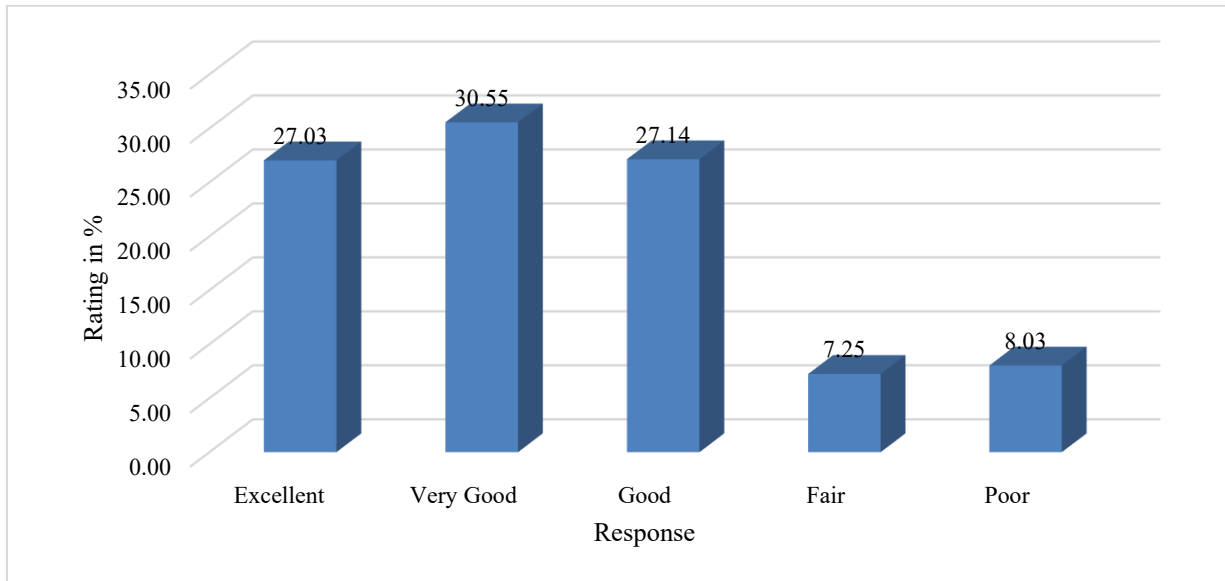

Figure 1

Figure 1 describes the survey on feel safe and security for the academic year 2020-2021, indicated 84.72% satisfied and 15.28% not satisfied responses. So, the overall response seems to be good. Action will be taken soon to improve on the emergency phone lines, conduction of safety seminars, self-defense classes, and safety advice for women and provide with 100% satisfactory facilities on feel safe and security.

### On the alleys of the campus

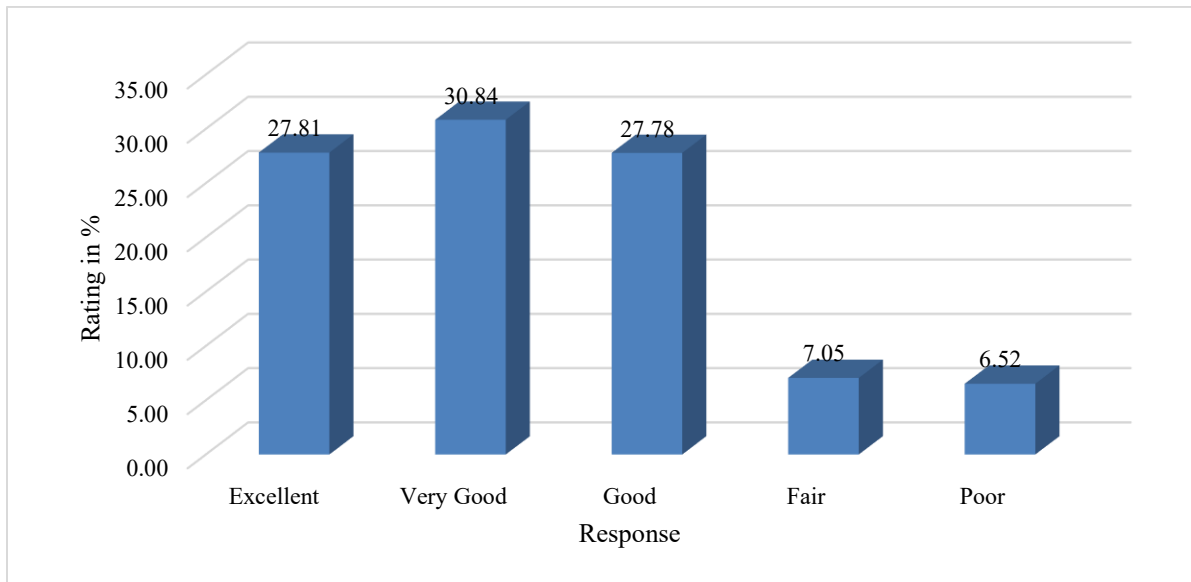

Figure 2

Figure 2 depicts the survey on the alleys of the campus indicated 86.43% satisfied and 13.71% not satisfied responses. So overall, the response seems to be good.

### Inside parking lots

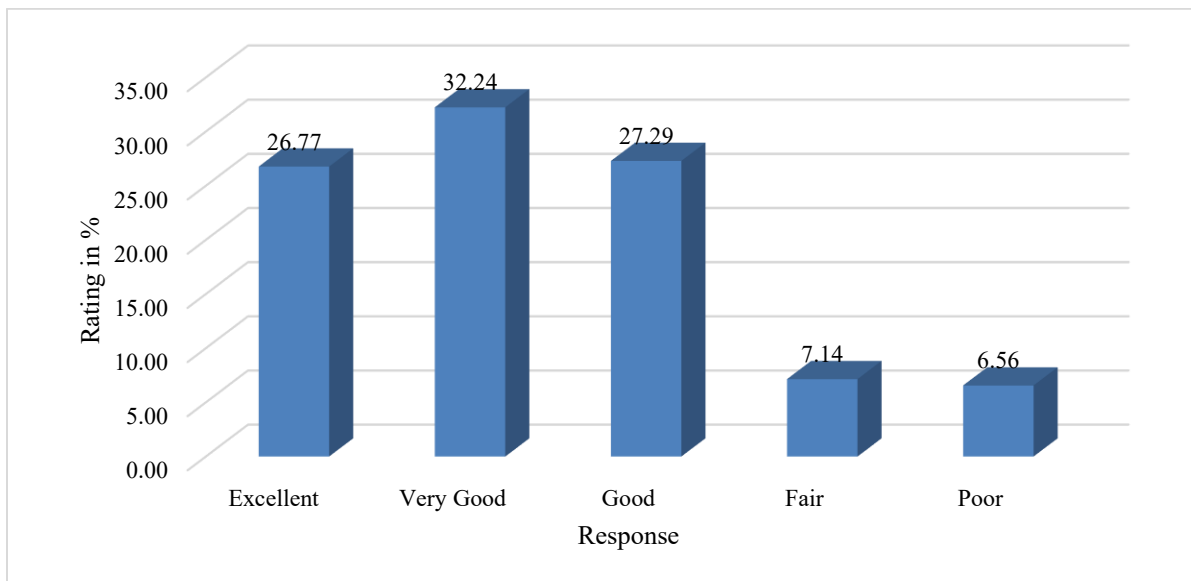

Figure 3

Figure 3 shows the survey on inside parking lots indicated 86.29% satisfied and 10.9% not satisfied responses. So overall response seems to be good.

### Inside campus buildings

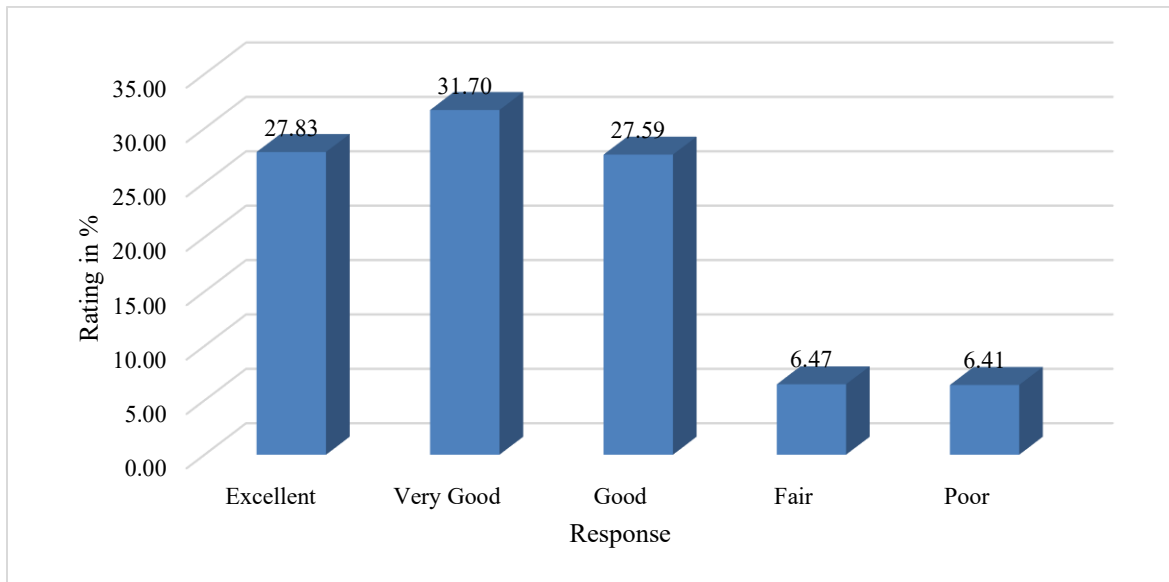

Figure 4

Figure 4 represents the survey on inside campus buildings indicated 87.12% satisfied and 12.88% not satisfied responses. So overall response seems to be good.

### Around campus

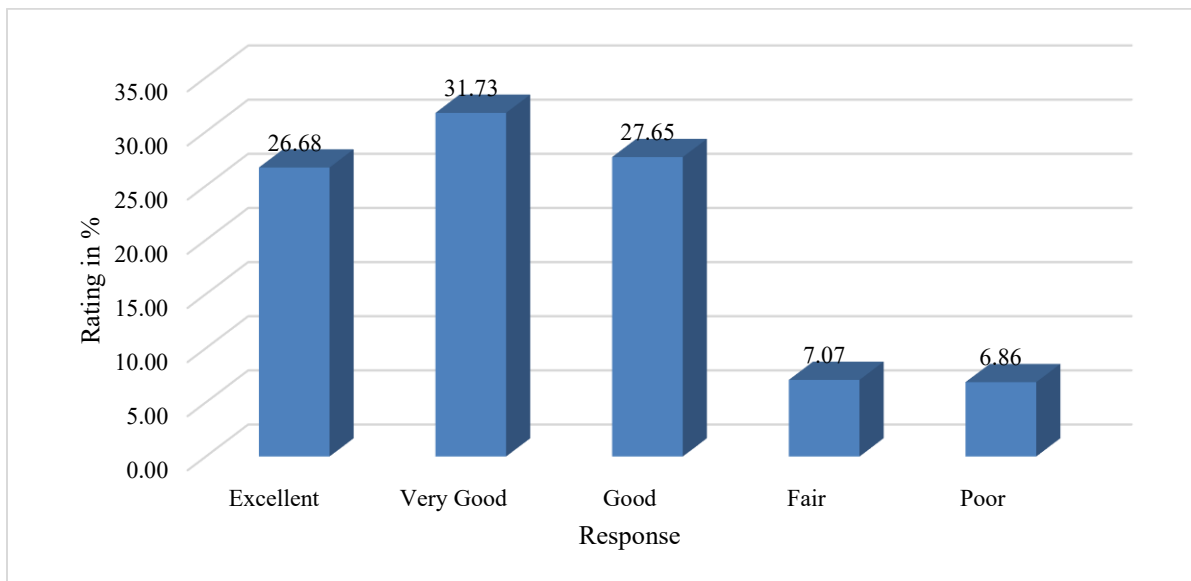

Figure 5

Figure 5 displays the survey on around campus indicated 86.06% satisfied and 13.94% not satisfied responses. So overall response seems to be good.

### Inside the campus public transportation vehicles

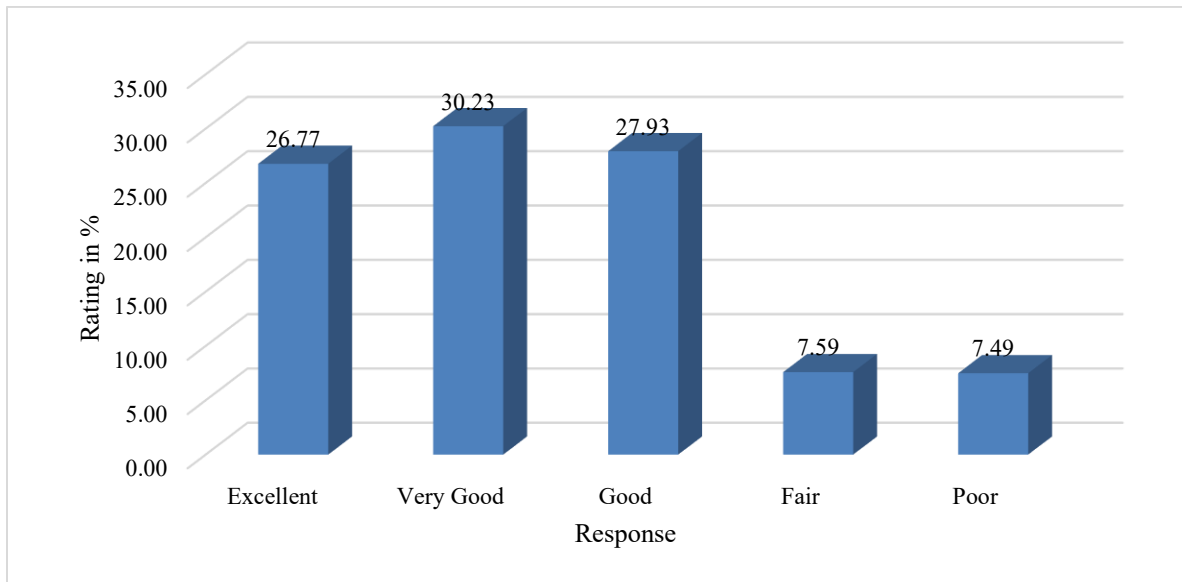

Figure 6

Figure 6 describes the survey on inside the campus public transportation vehicles indicated 84.92% satisfied and 15.08% not satisfied responses. So overall response seems to be good.

### How safe do you feel inside the campus

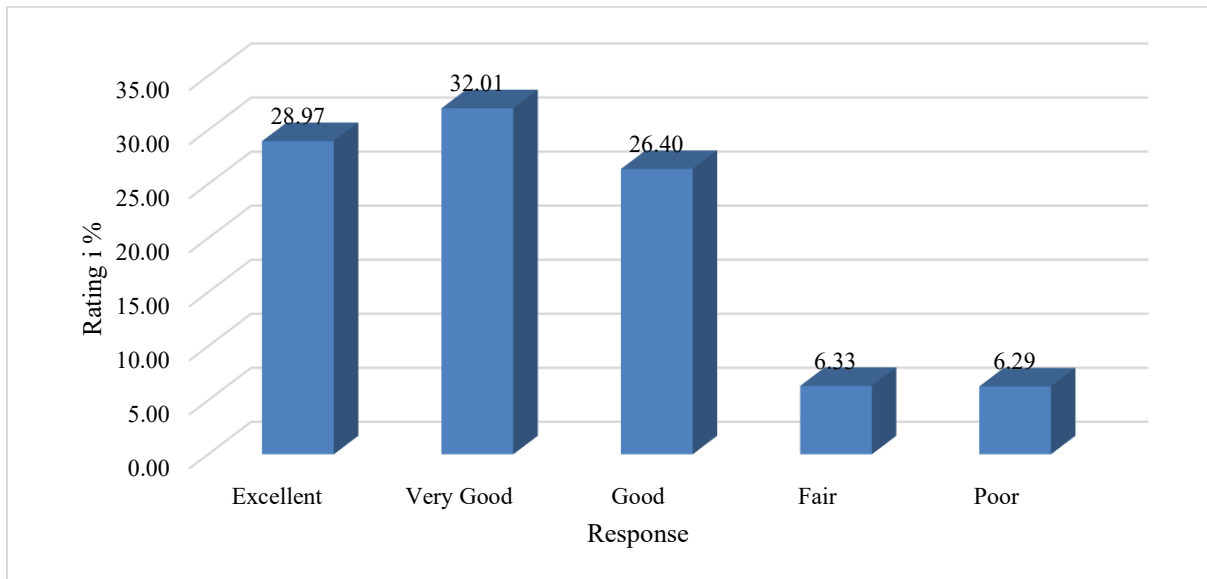

Figure 7

Figure 7 depicts the survey on how safe do you feel inside the campus indicated 87.39% satisfied and 12.61% not satisfied responses. So overall response seems to be good.

### Availability of Security cameras

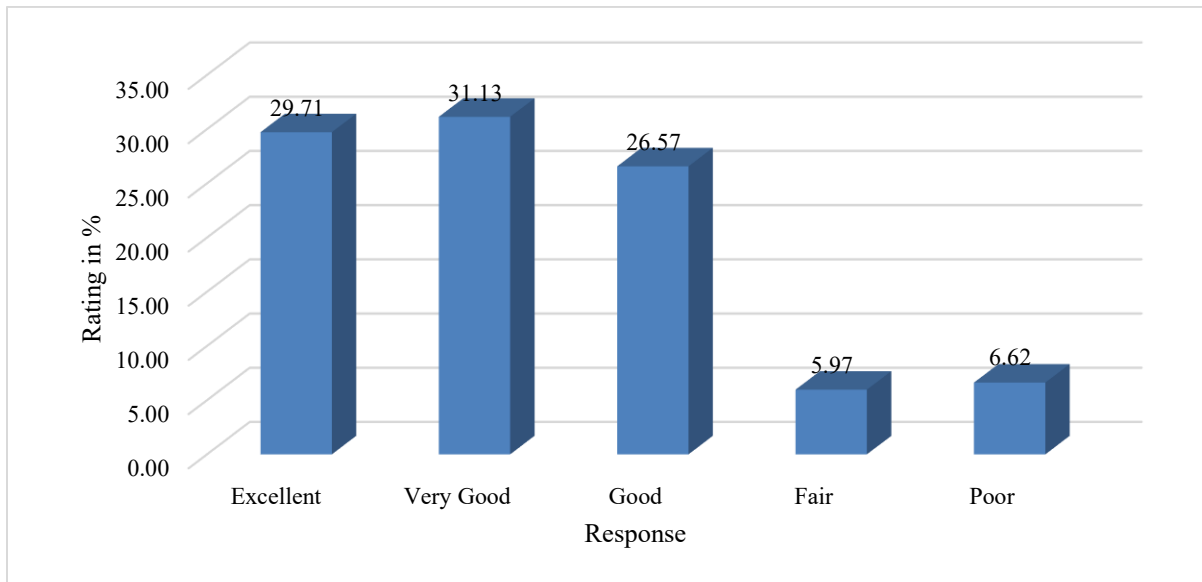

Figure 8

Figure 8 describes the survey on the availability of security cameras indicated 87.42% satisfied and 12.58% not satisfied responses. So overall response seems to be good.

### Security guards

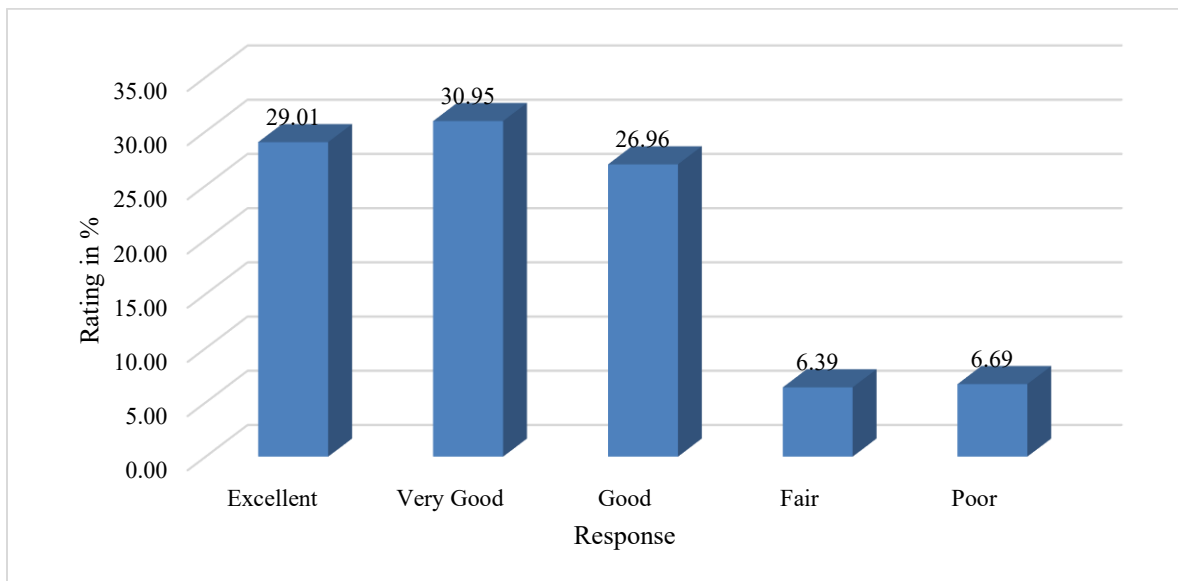

Figure 9

Figure 9 shows the survey on the security guards indicated 86.92% satisfied and 13.08% not satisfied responses. So overall response seems to be good.

### Emergency phone lines

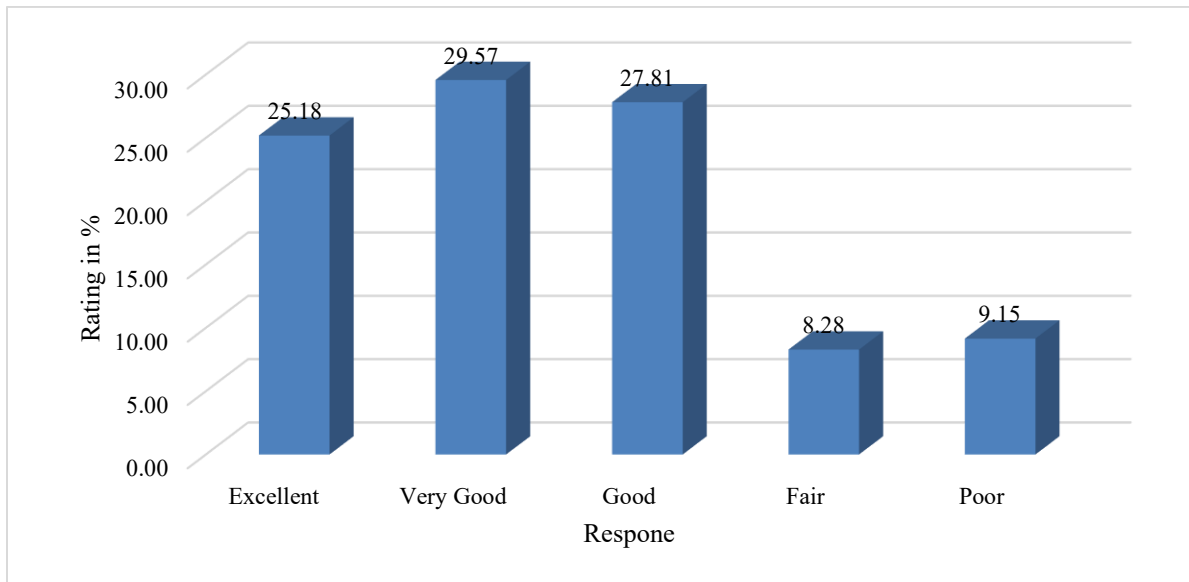

Figure 10

Figure 10 displays the survey on emergency phone lines indicated 82.57% satisfied and 17.43% not satisfied responses. Action will be taken soon to improve the emergency phone lines.

### Conduction of Safety seminars

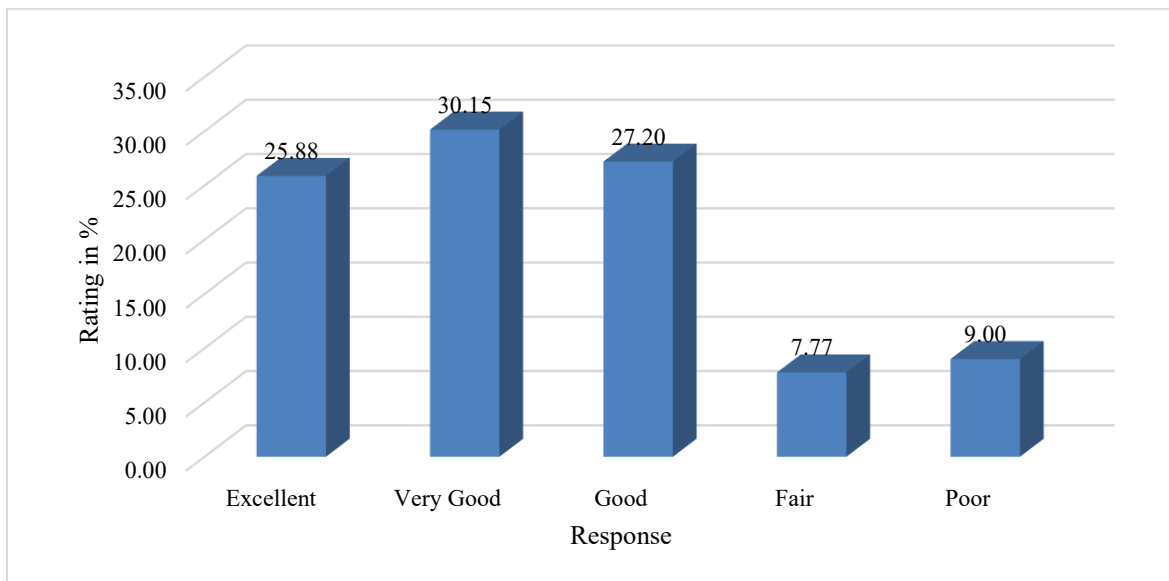

Figure 11

Figure 11 depicts the survey on conduction of safety seminars indicated 83.23% satisfied and 16.77% not satisfied responses. Action will be taken to improve the conduction of safety seminars.

### Self-defense classes

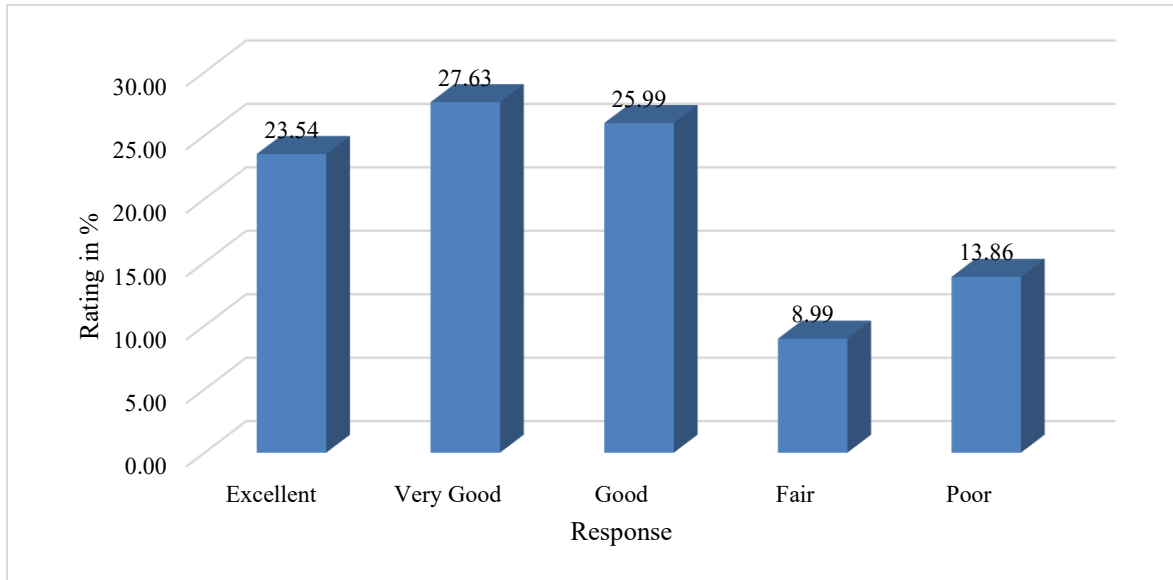

Figure 12

Figure 12 shows the survey on self-defense classes indicated 77.16% satisfied and 20.2% not satisfied responses. Action will be taken to improve the self-defense classes.

### Safety Advice for Women

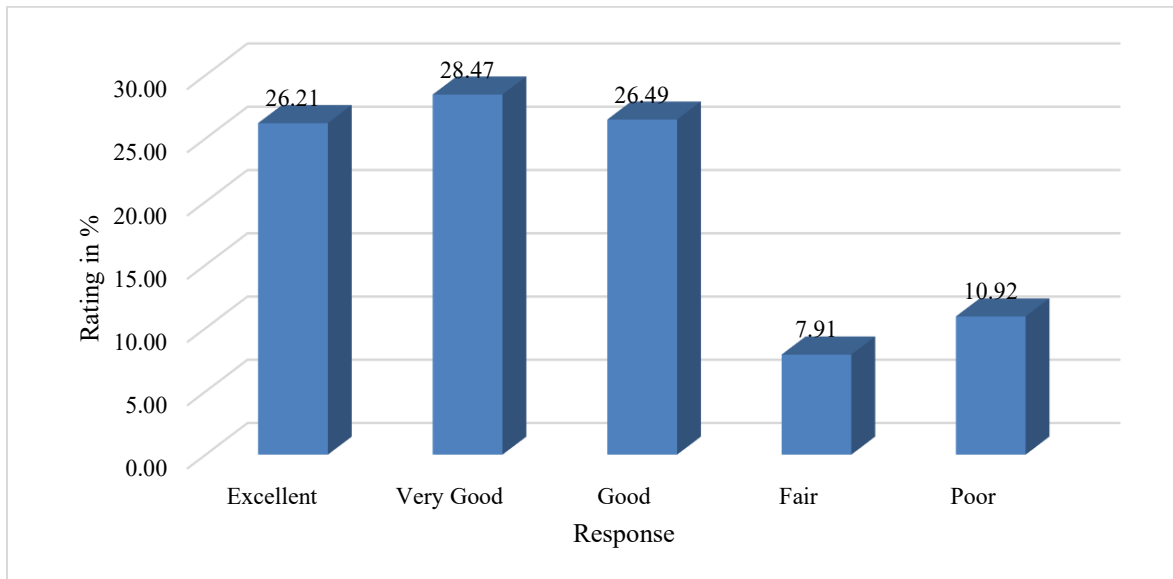

Figure 13

Figure 13 shows the survey on safety advice for women indicated 81.17% satisfied and 18.83% not satisfied responses. Action will be taken to improve the safety advice for women.
