#### Abstract:

ABSTRACT ANALYSIS ON HOW TECHNOLOGY AND GADGETS ARE UNAVOIDABLE IN TODAY'S LIFESTYLE The use of technology and gadgets has become ingrained into lives. This is especially true among millennials, who have grown up in a world where technology is so easily accessible that it has now become a necessity. With the internet and smart phones, it has become increasingly easier to connect with others, shop online, watch movies, and play games. With the rise of convenience in technology, it has become increasingly difficult to avoid its influence. This paper will analyze how technology and gadgets are unavoidable in today's lifestyle. It will explore various advantages of utilizing technology and gadgets, and how its use has become almost instinctive among millennials in particular. Additionally, it will explore some drawbacks that arise from overdependence on technology, such as a decrease in interpersonal connections. Finally, it will assess and suggest ways on how to strike a balance between technology use and maintaining human relationships. Understanding the pros and cons of technology and gadgets better will enable us to use them in effect to improve our lives.
