**Abstract:**

ABSTRACT ANALYSIS OF HOW ENGLISH TRAINING IMPORTANT FOR SCHOOL IN GOVERNMENT SCHOOL TAMILNADU English training is essential for government school stu in Tamil Nadu in order to prepare them for a globalized world and to provide equal learning opportunities. The state government has implemented English as a medium of instruction in schools to promote a better understanding of the language and to enhance the employability of students in a competitive job market. A thorough analysis of training is necessary to understand its importance. Firstly, English is the primary language used for communication in most countries and is a crucial means of communication many international organizations. Therefore, students with English proficiency have higher chances of securing opportunities and succeeding in their careers. Secondly, exposure to English at an early age not only aids in better language fluency but also helps in the overall cognitive development of children. Furthermore, it opens up a wide range of resources and information available in English, making it easier for students to access knowledge on various subjects. In addition to these practical benefits, English training instills confidence, creativity and critical thinking abilities in students, making them well-rounded individuals. Overall, English training is a crucial aspect of education in government schools in Tamil Nadu, enabling students to broaden their horizons and compete in a globalized world.
